

David W. McGuire, D.M.D., Inc.

Financial Policy

We are committed to your dental health and wellness and providing you with your best possible treatment. This financial policy has been prepared in an effort to answer questions regarding treatment and payment.

Payment is expected at the time of treatment. We are happy to submit your insurance claims to your carrier so that you may receive your maximum benefit allowance. The benefit payment may be sent to you, in which case you will be responsible for the entire fee.

In order to maintain our high quality of care, we do not participate in any insurance program. You are responsible for any difference that your insurance does not cover.

Fees for extensive care such as crowns, bridgework, dentures and partials will be placed when treatment begins.

***Payment options include cash, check and all major credit cards.**

***Mutually agreed upon payment plans may be discussed.**

Please sign below indicating that you have read and understand this policy.
